Volunteer Canada presents second of two consecutive blog postings from President and CEO, Ruth MacKenzie

Yesterday, we released the first of two blog postings from our President and CEO, Ruth MacKenzie. Today, we shift gears, as [Ruth's second blog reflects back on our key initiatives and successes from 2011](#).

In this blog posting, you'll read about:

- The continued support we received from the Office of the Secretary to the Governor General over the past year;
- Our National Dialogue on Screening; and
- Our "Building the Bridge" campaign.

We encourage you to weigh in with comments after having read either posting. You can even receive email alerts when new comments are posted in response to either blog by clicking the "subscribe by email" link in the bottom-left hand corner of the blog posting page.
