**National Volunteer Week survey**

Volunteer Canada would like to thank and congratulate everyone who contributed to this year's National Volunteer Week. The success of local NVW campaigns is important to us. We would greatly value your feedback to help us improve next year's NVW. We invite you to complete an online survey so we can learn how to better engage with you to recognize and thank volunteers during NVW. The survey is confidential and the results are for internal use only. The survey shouldn't take more than 10 minutes of your time. [Please access the survey here.](#)
