In this issue:

- New media monitoring service for Volunteer Canada members

New media monitoring service for Volunteer Canada members

Volunteer Canada is pleased to announce we will send weekly news media monitoring reports to our members beginning Friday, July 20. Media monitoring reports will be issued every Friday, exclusively to Volunteer Canada members.

The service will keep members informed of important issues and trends affecting voluntary organizations. The stories will be a current, relevant selection of news media stories reflecting salient topics affecting the voluntary sector.

To learn more about Volunteer Canada membership and to join, visit <http://volunteer.ca/tenways>.
