In this issue:

- Help ensure that volunteering becomes even stronger for generations to come

Help ensure that volunteering becomes even stronger for generations to come

When you [donate to Volunteer Canada](#), you are supporting organizations that work with volunteers. Your dollars help fund our research and programs that many non-profits depend on to succeed. We show Canada how to reach its potential through volunteering.

Volunteer Canada encourages all Canadians to give some time to ensure that our communities remain vibrant and resilient. We also encourage you to donate to Volunteer Canada to help ensure that volunteering becomes even stronger for generations to come.

Please note: December 31st is the final day to receive an official donation receipt for 2013.
