Volunteer Canada and Investors Group are excited to present the [NVW 2014 video](#)! Canadians from coast to coast are encouraged to call the Volunt-Hear Hotline and participate in a national conversation about volunteer recognition. The hotline is a toll-free number where people can call to leave a brief impact statement and say thank you to a volunteer for their efforts. Why? Because volunteer work speaks volumes!

### **Message from the President & CEO**

*"Every time I hear Winston Churchill's famous quote: "We make a living by what we do, but we make a life by what we give," I think about how fortunate we are as Canadians to have so many volunteers giving their time - to improve our communities, and quality of life."
