**The Volunt-Hear Hotline is open and has been ringing off the hook!**

[National Volunteer Week 2014](#) takes place from April 6 to 12.

Canadians from coast to coast are encouraged to call the *Volunt-Hear Hotline* and participate in a national conversation about volunteer recognition.

The hotline is a toll-free number where people can call to leave a brief impact statement and say thank you to a volunteer for their efforts. Why? Because volunteer work speaks volumes!

Call **1-855-372-5077** and thank a volunteer until **April 12, 2014**.

We have received dozens of inspiring messages in our first week, thanking Canada's incredible volunteers. You can share any or all messages through social media and also call to leave your own impact statement.
